Juvenile Division

The Administrative Office of the Courts (AOC) - Juvenile Division focuses primarily on projects relating to children and families. This division is responsible for projects that include drafting rules, forms, and sample orders; providing continuing legal education (CLE) opportunities, training and technical assistance; coordinating grants to improve court practices; and providing ongoing funding and support to local CASA volunteer programs as well as attorneys to represent the best interests of children in dependency - neglect cases.

The Juvenile Division strives to:

- ? Encourage judicial best practices
- ? Provide the Juvenile Division of Circuit Court with resources to better serve the children and families who appear before the court
 - ? Ensure that the well-being of children, youth and families is a high priority within the Arkansas judicial system
 - ? Provide leadership in bringing diverse groups together to better serve children and families that enter our court system
